| Quality: | Kabinett |
| Taste: | green cap (off-dry) |
| Alcohol: | 10,0% vol. |
| Bottle Size: | 750 ml |

Vineyard Site

This vineyard is south-west facing, encompasses 63 hectares (153 acres), and is composed of deep weathered grey slate soil. Wines originating in the Kinheimer Rosenberg impress with evocative minerality in delicate interplay with forward fruit.

Vinification

100% healthy grapes were harvested in October, gently crushed, and briefly macerated on the berry skins to extract aroma and minerals. The must fermented slowly and spontaneously at low temperature so that the complex fruit aroma could develop perfectly. It then received an extended stay on the lees in stainless steel tank.

Tasting Note

The 2020 Riesling Kinheimer Rosenberg Kabinett (Green Capsule) is pretty reductive and untamed on the nose but clear and fascinating. Lush and round on the palate, this is a pretty sweet and mouth-filling Kabinett that is almost bordering on the sweeter golden capsule style for my tastes. The wine has texture and length and reveals good grip on the finish. It can age for at least two decades. 10% stated alcohol. Natural cork. Tasted at the domaine in July 2022. Drink Date: 2027-2045 (S. Reinhardt – Wine Advocate)

Serving Temperature

8°C
